ORLANDO, FLORIDA—October 15, 2008— Orlando City Commissioner Patty Sheehan will welcome acclaimed Italian artist, Guido Daniele, to Orlando City Hall Thursday, October 16, 2008, at 5:30 p.m. The City of Orlando, along with sponsors Fields Auto Group, Angie Perretti, Lake Eola Café and The Regal Swan Foundation, Inc., will host Guido Daniele as part of a reception highlighting his works of art as they are displayed in the Rotunda of Orlando City Hall. Mr. Daniele's artwork displayed at City Hall include photographs of realistic paintings of human hands and modeled to imitate real-life images and animals, one of the more beautiful being a swan.

The reception will serve as a prelude to the Swan Soiree, a benefit on Saturday, October 18, 2008, beginning at 7:00 p.m. at Lake Eola Park's Disney's Amphitheatre to help the Regal Swan Foundation for the continuous care and feeding of Lake Eola's beloved and signature swans.
